

Get the BODY in FOUR weeks.

Fans of the Brand.

Ever looked at photos of your favourite celebs frolicking on the beach in their skimpy bikinis, and wondered how on earth are you going to get your bum and tum in shape in time for the big reveal this summer?

If you can't motivate yourself to sweat it out at the gym then look no further - Ultratone is here to make your summer!

- One session of Ultratone is the equivalent of 900 sit-ups, minus the blood, sweat and tears.
 - Shakira gets that amazing washboard stomach courtesy of Ultratone sessions - and has been using Ultratone for the past 12 years!
 - Madonna and Gwyneth both have an Ultratone machine in their homes.
- So stop dreaming about your ideal beach body and do something about it, the celeb way.

And it works, in just four weeks, Jenny (below), was transformed into a gorgeous beach babe.

And it really works
